

Dunton Green PRIMARY SCHOOL

Term 2, Week 1, 2023-2024

Message from Mr Hulme

Just like that, the half-term whizzed by and we completed another week back to school. It's unbelievable to think that we are now on the run up to the

school Christmas events. We have lots planned this year and some new events that we hope will bring the whole school together, as well as the more traditional Dunton Green events.

You will hopefully see that there is a lot happening across the school in order to make it a warm, welcome and inviting space. The fencing and gates at the front of school are being reconfigured so that parents and visitors don't need to walk past the bins. In addition to this, the school office has been painted and re-carpeted and there have been a number of projects outside that have smartened the school up. Keep an eye out for more things happening.

We held our second open day for new parents this week. It was wonderful to have such positive feedback about our school, the curriculum and the opportunities that we give to our children. Don't forget that we have two more if you need to book on!

Mr Hulme

Executive Headteacher

New School Website

Our new school website has gone live and we are delighted with it! It gives the school a fresh and modern look for parents and visitors to the school. Please do let us know if you have any thoughts or ideas about what should or could go on there. We will be adding new things to it over this term and hope that it becomes a useful starting point for parents needing information about the school.

Team DG Disco

On Friday, the school hall was full of dancing, costumes and foam as we held our Key Stage 1 and Key Stage 2 disco's thanks to Team DG. It was wonderful to see the children enjoying themselves with party games, dancing and glowsticks with Captain Fantastic leading the way. Huge thanks to Mrs Holliday, Mrs Baker-Clarke, Miss James and Mr Brockwell for staying and supporting the behaviour throughout. Thanks to Team DG for organising the disco!

Caterlink

You should have received an individual letter about a change to the school meal provider. Please keep this information safe as you will need it to log into your child's account and book school lunches. If you have any outstanding meals to pay, please do so via ParentMail so that Mrs Daniels in the office doesn't have to chase you. Hot meals will start again on 13th November. In the meantime, we will be offering a full packed lunch from the kitchen for any child needing one. Please book as usual.
