

DUNTON GREEN NEWS

What's been going on this week at school!

FENCING

On Thursday, Years 2, 3 and 4 took part in a fencing workshop with Andrew from Little Musketeers. This was a fantastic opportunity to take part in a new sport and learn some new teamwork games. After Christmas, we will be hosting a fencing after-school club for children to take part in! Andrew is an ex-Olympian and it was wonderful for him to share his story and journey with the children. Maybe we have an Olympian among us!

BOOK FAIR

Next week the Scholastic Book Fair is in school from Friday 24th November to Wednesday 29th November 2023. You will be able to come into the KS1 Corridor each day between 8:30-8:45 and 3:20-3:45. As a school, we get a proportion of the takings so please get your Christmas presents early!

SOCIAL MEDIA

Could we take this opportunity to remind all parents to keep an eye on your child's social media activities whether that is on Whats App or Text Messages. We have seen a number of inappropriate messages being sent on school Whats App groups. Please have a conversation with your child about appropriate use.

Message from Mrs Holliday

I can't believe that we are nearly at the start of the Christmas festivities. The Key Stage 1 corridor has been full of the sounds of nativity and if you have been in recently, you would have seen the costumes start to be displayed! We can't wait to share further details with you as we confirm dates and times for our exciting celebrations. Next week is assessment week in school. All the children in Year 1 to Year 6 will take a maths, reading and grammar assessment.

Mrs. Holliday
Head of School
