

DUNTON GREEN NEWS

What's been going on this week at school!

LUNCHTIME

We have been on the field for lunchtimes for the last week and noticed the difference that it has made to the children. They have more space to play in and are able to use all of our wonderful grounds. Please remind them to bring their wellies in each day, or leave them at school. Should you need some help getting wellies, speak to Mrs Hennessy and she will do her best to find you a pair that fit!

VOLUNTEERS

We are always grateful for and looking for volunteers. Volunteers can undertake a range of different roles in the school from reading with children, to display, to helping around the site! This might be daily or for a couple of hours a week! If you have time to volunteers please contact Mrs Linkins.

BOOK FAIR

Remember that the book fair is with us until Wednesday 29th November 2023. You will be able to come into the KS1 Corridor each day between 8:30-8:45 and 3:20-3:45. As a school, we get a proportion of the takings so please get your Christmas presents early! We can order more books in if something you had on your eye on has been snapped up!

Message from Mrs Holliday

The children have worked so hard this week on their assessments in reading, mathematics and grammar, punctuation and spelling. We are using new assessments this year so the data won't quite match up to previous assessment data but our December reports will explain in detail what the results mean and where you can get some more information if you need it! It's time for the Christmas excitement now!

Mrs Holliday
Head of School
