

DUNTON GREEN NEWS

What's been going on this week at school!

NATIVITY

Reception, Year 1 and Year 2 joined together for two wonderful nativity performances in front of a very lively and excited audience. The children did an amazing job at learning their lines, knowing the words to the songs, remembering the dances and where they had to be! Thank you to all those that were able to come and watch. Thanks also to all the school staff that supported and helped the children to perform such a wonderful show!

CHRISTMAS DINNER

A firm festive favourite in the calendar is the Christmas dinner and this year was no difference. Full of turkey, stuffing and roast potatoes, there was much fun and excitement as the school came together! The children enjoyed some festive music and were all getting into the Christmas spirit. Hopefully the dinner lived up to what the children might get on Christmas Day!

CAROL CONCERT

Our term ended with a beautiful carol concert with the whole school at St. Mary's, Riverhead. This was the first year that we have brought the whole school together for this event and it was wonderful. To hear the children singing and the choirs perform was very special and we can't wait to use St. Mary's again for another celebration! The children had an amazing time and it was so lovely to see so many family members at the church.

Message from Mrs Holliday

We have finally made it to the end of the Autumn term and what a busy one it has been too! So much joy, laughter and excitement from the children during the Christmas festivities from the nativity, Christmas concert and the Christmas dinner. We are so proud of all the children and how hard they have worked - hopefully you were able to see that in the Show and Share yesterday. We are so grateful for all the positive feedback from parents about some of the changes we have made this term and appreciate all the positive social media posts to help us make DG the go to school in the area! Wishing you a wonderful and peaceful Christmas. I look forward to hearing about all the amazing things the children get up to in the Spring term.

Mrs Holliday
