

DUNTON GREEN NEWS

What's been going on this week at school!

UNIFORM

Uniform standards have really dropped since coming back to school in January. There are a number of children wearing trainers, random jumpers and tracksuit bottoms when they should be wearing school uniform. Please do take a moment to remind yourselves about the uniform policy, including jewelry and hair accessories. If you need any help with uniform, please speak to Mrs Hennessy and she would be pleased to support.

DUNTON GREEN BABIES

December was a busy month for babies at Dunton Green with Mrs Holliday and Mr Brockwell both welcoming little ones into their lives. Elodie Holliday was born at 5.45am on Christmas Day, arriving 8 days early! Luca Brockwell was born on 17th December 2023. Everybody is healthy and doing well and we can't wait to meet the newest members of the Dunton Green family!

MOUNTAIN BIKING

This term, Year 6 are mountain biking with Ollie Ireland – a professional mountain biking coach and instructor. This is an opportunity for the children to learn to mountain bike safely, doing jumps and tracks around the school site. Year 5 will also be doing this, later on in the year.

Message from Mrs Baker-Clarke

It has been a busy start to the term, with children settling back into school life seamlessly, following the excitement of Christmas. Thank you to those parents that gave feedback regarding the new December reports – these will become easier to understand when you have an Easter and end of year report to compare your child's data with. In addition to this, another parent consultation and the show and share events at the end of each half-term, allow you to see how your child is progressing. Please remember that we have a very open-door policy and would encourage you to come into school and speak with us at any point.

Mrs Baker-Clarke
Head of School
