

DUNTON GREEN NEWS

What's been going on this week at school!

SWIM RELAY

Six children and their cheer squad made their way to Maidstone Leisure Centre for the Maidstone swim relay. This was a chance to swim as many lengths as they could in 20 minutes and raise money for Demelza and the school! The team were fantastic and managed 27 lengths in the 20 minutes, despite being the smallest team! As a school, you raised an incredible £1631, half of which will come to Team DG. Thank you for all your support and we look forward to more children being involved next year!

ROCK WORKSHOP

Year 3 had the opportunity to take part in a rock workshop as part of their science learning this term. They were able to explore fossils, understand the difference types of rocks and learn about the role of geologists. It was wonderful to see the children share their learning from across the term and do it with such enthusiasm!

LOVE 2 DANCE

On Wednesday 13th March, 9 girls from Year 3 to Year 6, took part in an annual dance show at The Stag Theatre in Sevenoaks. Lots of schools in the surrounding area took part and put on a fantastic show! Cascade Dance Company has been running a dance club every Wednesday morning and from next term, they will be inviting Year 2 children to join.

Message from Mrs Baker-Clarke

The term is whizzing by but there is no let-up in what we are trying to achieve at school. Our newsletter this week is all about the additional things that we do at Dunton Green that make us a community and family! From swimming to dancing and everything in between. You may have spotted Mr Hulme's shout-out for outside achievements to share on Dojo, please do send them through we want to celebrate as much success as possible!
