

Year 3 — Term 2

English	Using Jemmy Button as a stimulus, the children will be writing setting descriptions and the features for a setting description. These include, alliteration, expanded noun phrases, powerful verbs and adverbs, prepositions, coordinating and subordinating conjunctions.
Maths	In Maths, we are continuing with addition and subtraction. The children are learning how to add and subtract 2 and 3 digit number with exchanging . We will move onto multiplication and division. The children will recap the 2,5 and 10 times table and learn 3,6 and 8 .
Science	Our unit is animals and skeletons. The children will learn that animals including humans get the nutrients that they need from food, balanced diet, internal and external skeletons , name the parts of a human skeleton and the uses of these bones.
Geography	The children are learning about rivers. We will start with the processes of a water cycle. Then the children will learn about the human and physical features of a river, major river locations and describe the different ways in which rivers are used.
PSHE	This terms unit is valuing differences. The children will be learning about recognising and respecting diversity and being respectful and tolerant, including British Values.
Music	We will be learning some carols for the carol concert, as well as a Christmas song which Year 3 will perform as a class during the performance.
Computing	We will begin with online safety and then move onto use spreadsheets. Throughout the year we will continue to revisit online safety.
RE	We will be continuing with the question 'What do different people believe about God'? We will look at different religions and people's views.
PE	This term the children will be learning about passing and dribbling in Basketball. We will also be learning some different balances and movements in Gymnastics.
Art/DT	In DT this half term, the children will be learning about food technology. We are focusing on a healthy and varied diet and the children will be making a healthy snack
MFL	In Spanish we will be learning some basic verbs and developing our ability to introduce ourselves and talk about our likes and dislikes.

Core Text

Inspired by the true story of Jemmy Button— a boy from Tierra del Fuego who was went on a voyage to England. This book illustrates Jemmy's extraordinary encounters on unfamiliar land such as going to the theatre, meeting the King and Queen.

In Reading , we will be practicing the skills of inference, prediction, comprehension, retrieval and summarising.
