Core Text

In the deadly chaos of the First World War, one horse witnesses the reality of battle from both sides of the trenches. Bombarded by artillery, with bullets knocking riders from his back, Joey tells a powerful story of the truest friendships surviving in terrible times. One horse has the seen the best and the worst of humanity. The power of war and the beauty of peace. This is his story.

As we read the story together children will be given tasks and opportunities to help further their understanding of the characters and events. They will make predictions, use inference, check unfamiliar vocabulary and learn to summarise succinctly.

In addition. children will practice their comprehension skills by looking at unfamiliar texts.
