

Badger — Term 1

English	In English, the children will be look at two genres of writing, narrative and biography writing. They will reinforce key foundational skills.
Maths	During maths this term, the topics are place value, addition and subtraction. The children will use fluency, problem solving and reasoning skills.
Science	Science lessons will centre around mixtures and reactions. We will investigate the different types of reactions that occur with some fun experiments.
History	In History, we will be looking at the Tudors and learning about King Henry 8 th and all of his six wives and finding out about life in Tudor England.
PSHE	Our PSHE topic is “Me and My Relationships”, the class will be looking at how they navigate their friendships and engage with their peers.
Music	This term, in music, we will be focusing on the Blues. The children will learn and explore how to play blues music using different instruments.
RE	Our question for RE is “Why do some people believe God exists?” The children will use their critical thinking skills to consider religious beliefs.
PE	This term in PE, we will have the chance to practice mountain biking in small groups and also play hockey with Miss Bracken.
Art	Our focus for Art this term is pattern, printing and masks. The children will explore mosaics and finish by designing and making their own tile.

Core Text

A story about a young girl named Bess Throckmorton, who discovers she is a descendant of the historical figure, Sir Walter Raleigh. She ends up living with his mischievous ghost as they attempt to solve the family's problems.

During guided reading lessons, the children will explore the book and the characters. They will focus on vocabulary and dictionary skills, as well as, inference, prediction and summarising.
