

## Fox Class — Term 2

|                   |                                                                                                                                                         |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| English           | We will be learning to write a diary entry and detailed setting descriptions to help our readers to build an image of our core text.                    |
| Maths             | In Maths we will learn about area followed by multiplication and division which will be crucial in supporting us with the times table check.            |
| Science           | In Science we are going to be learning about parts of the ear and how our ears and brain work together to identify sound.                               |
| History/Geography | Our question this term is 'Are all settlements the same?'. In this unit we will be comparing our local area to New Delhi to identify the differences.   |
| PSHE              | In PSHE we are going to learn about valuing differences by covering topics such as stereotypes and the people we share our world with.                  |
| Music             | In music, we will continue to learn flute and begin to play simple sequences along with a backing track.                                                |
| Computing/MFL     | Our focus will be French. The topic is Je me presente which is all about introducing yourself.                                                          |
| RE                | Our focus in RE will be 'What does it mean to be a Hindu in Britain today?'. We will learn about ceremonies and routines that Hindus follow in Britain. |
| PE                | This term we will continue our swimming lessons at Sevenoaks leisure centre as well as dribbling and shooting in basketball.                            |
| Art/DT            | This term we will be learning to sew and stitch to make a Christmas Stocking.                                                                           |

### Core Text

Set in a magical world, this beautifully illustrated story tells the tale of Jub, a young girl who is responsible for delivering happy endings to fairy tales. When a wicked witch steals them, Jub must embark on a brave journey to restore happiness and hope. The book explores themes of courage, determination and the importance of storytelling, while introducing pupils to rich and imaginative language.
