

Hedgehogs—Term 1

English/communicating and language	Initiating conversations, listening to others. Talk about the stories we have listened to. Verbal rehearsal before writing
Maths	Number recognition, sorting, comparing amounts, positional language. Place value (within 10) Addition and subtraction (within 10)
Science/Understanding of the world	Learn about the continents and oceans of the world. Map work and grids.
Geography	We will be learning about map work and grids. The children will understand symbols, compass points and give simple directions using a map.
PSHE	Making friends, understanding emotions. Thinking about who is special to me.
Music	The children will be exploring sound patterns and rhythm and will use untuned percussion instruments.
Computing	Children will be using a programme called Lego builders as well as learning how to use a computer, mouse and keyboard.
RE	What do some people believe God looks like?
PE	We will be doing multiskills, where they learn a variety of skills that develop different movement skills such as reaction, balance and coordination.
Art/DT	Animal artwork. Fine pencil drawings.

Core Text

"The Bog Baby," written by Jeanne Willis and illustrated by Gwen Millward, follows two young sisters, the narrator and Chrissy, who secretly go fishing in a magical pond in Bluebell Wood, despite being told not to go alone. The pond appears only in spring, forming a puddle where pond creatures gather. While fishing, the girls do not catch newts or frogs as expected, but instead discover a Bog Baby—a small, round, blue creature with boggle eyes, a spiky tail, mouse-like ears, and tiny wings.
