

Year 1 — Term 2

English

In English we will be writing descriptions about characters and settings. We will also start to use plural nouns and suffixes on root words.

Maths

In maths we will be learning about place value, addition and subtraction and shapes. We will be developing our knowledge of base 10 to support our learning.

Science

In science this term we will be learning about the animal kingdom. We will look at body parts on both animals and humans and how they help us to survive.

Geography

In geography our topic is What is it like here?. We will develop knowledge about our local area by learning about map making as we as physical and human features.

PSHE

In PSHE our topic this term is Valuing Difference. We will learn about community, respect and relationships.

Music

In music we will be focussing on the school nativity. We will be learning lyrics, dances and songs. We will also be learning to sing as a group.

Computing

In computing we will be learning about grouping and sorting. We will also practice saving our work.

RE

In RE we will be learning about what it means to be a Christian and what their beliefs are. We will also explore Christian stories and their meaning.

PE

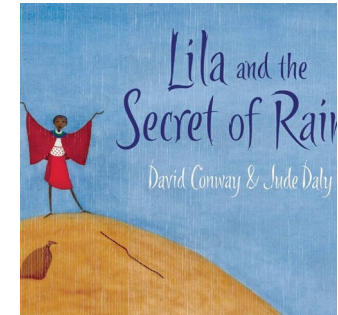

In PE our topic is for the term is Health and Fitness. We will also have forest school where we can learn lots of new outdoor skills.

Art/DT

In art our topic is African patterns. We will study pieces of African art as well as the Maasai people.

What is it like here?

Core Text

Our story is about a girl who sets off on a journey to help her village! In this story by David Conway we will use the detailed illustrations and easy to follow text to follow this exciting journey and support our character and setting descriptions.
