

Year 1 — Term 1

English

In English we will learn to say our sentences before we write them; form lower case letters correctly and use finger spaces, capital letters and full stops.

Maths

In Maths we will be learning about place value, addition and subtraction and shapes. We will be developing our knowledge of base 10 to support our learning.

Science

In Science this term we will be learning about the four seasons and the different types of weather that occurs within them.

History

In History we will learn about prehistoric Britain. We will develop knowledge about dinosaurs and significant individuals involved in the discovery of fossils.

PSHE

In PSHE our topic this term is 'Me and My Relationships.' We will learn about our feelings and the importance of friendship.

Music

In Music we will be exploring pulse and rhythm through a variety of percussion instruments. We will also have opportunities to compose and perform our own music.

Computing

In Computing we will be learning about the importance of staying safe online. We will also learn how to access and use Purple Mash safely.

RE

In RE we will be learning about what it means to be a Christian and what their beliefs are. We will also explore Christian stories and their meaning.

PE

In PE our topic for the term is multi-skills. We will learn the fundamental skills of how to jump, run, throw, catch ,aim, strike and balance within our lessons.

Art/DT

In Art our topic is Line and Tone. We will learn how to hold a pencil correctly and how to use different levels of pressure when sketching.

Whole school theme:

British History

Year 1 Focus:

Prehistoric Britain—Dinosaurs

Core Text

Our story is about a girl who sets off on a magical quest to find gold! In this story by Viviane Schwarz, we will look at the detailed illustrations and easy to follow text to follow the exciting journey, where the real treasure might just be about the wonderful friendships we make along the way.
