

Year 2 — Term 1

English	In English, we will be beginning to use expanded noun phrases to describe settings and characters as well as identifying and using time conjunctions.
Maths	In Maths, we will be exploring number and place value. This includes: recognising and partitioning tens and ones, using number lines and comparing numbers.
Science	In Science, we will be learning about 'living things'. We will be exploring the differences between things that are living, dead and have never been alive.
History	In History, we will be learning about the Romans. We will be learning about why the Romans came to Britain, if they were welcome and what they changed.
PSHE	In PSHE, we will be learning about 'me and my relationships'. We will be thinking about the skills needed for friendship and teamwork.
Music	In Music, we will be exploring West African call and response songs. We will be playing in time as a group and using different instruments appropriately.
Computing	In Computing, we will be learning how to stay safe online and exploring spreadsheets including how to copy and paste information and how to add amounts.
RE	In RE, we will be answering the question 'Who is a Muslim and what do they believe'. We will be re-telling stories and discussing our ideas.
PE	In PE, we will be learning Multi-skills and fitness. We will be improving our running and throwing techniques and our balancing skills.
Art/DT	In Art we will be exploring line and tone by using a pencil to make different marks and by practicing using light and dark shades.

Whole school theme:
British History
Year 2 Focus:
The Romans

Core Text

This term, we will be reading 'Escape from Pompeii' by Christina Balit.

In reading lessons, the children will be: beginning to scan the text to identify key vocabulary, answering 'how' and 'why' questions about the text, discussing a character's feelings and learning to navigate the text using paragraphs, subtitles and other structural features.
